

Baldy's Manual Accounting Exercise

Requirements

Using the chart of accounts, transactions listing, and adjusting entries listings you record the transactions in the General Journal, post the entries to the General Ledger, and use the Financial Statements Worksheet to prepare Financial Statements. Closing Entries are not required for this exercise.

You can either print and use the Work Book or print the Individual Sheets to use for this exercise.

Work Book

Includes all the entry forms in one book and can be used to record the transactions in one place instead of printing out the individual sheets.

Note: You will still need to print out the Transactions Listing, Adjusting Entries Listing and Chart of Account Listing (See Below Individual Sheets and Forms).
